

Free Tipping Days

Beginning June 1st 2015 the Municipality of St.- Charles is implementing a new, flexible, easy to use program for Free Tipping Days.

Each RESIDENTIAL HOUSEHOLD in St.-Charles will be given 2 FREE TIPPING DAYS per year that can be used to tip household waste ANY DAY during REGULAR BUSINESS HOURS at the landfill.

How do you use your free tipping days? It's simple.

- 1) Bring your load of garbage to the landfill at 515 Beauparlant Rd during regular business hours.
- 2) Present proof of residency (driver's licence, tax bill, utility bill).
- 3) Your residential household information will be recorded by the landfill attendant and you will be able to tip for free that day during regular landfill hours.

Frequently asked Questions

Can anyone from my household use my households' free tipping day? Yes they can, but there are only two days for the whole household, not two free days per person.
